

## Frequently Asked Questions (FAQ) for Formula Student

### Important for teams outside the European Union

The importation to your country is in your own responsibility - AMK cannot support you in this matter! It is in your responsibility to check which documents etc. are necessary to import our goods. Should you need further documents as the usual ones which are provided from us (invoice, delivery document and export declaration) we need to be informed about that before you place an order. AMK reserves the right to refuse a quotation/delivery in case documents are needed which cannot be provided from our side.
